## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. The following is a statement of reasons for the indication of allowable subject matter:

Regarding claims 1, 19, and 37, the prior arts of record, in combination or individual, fail to show or make it obvious a method for transmitting a downlink signal in non-directional manner from a communication station to a first remote communication device wherein the repeated transmitting of the first downlink message in the second non-directional manner produces non-identical repetition from the communication station to facilitate the interference environment being different in the repetition. Claims 2-18, 20-36, and 38-54 are dependent claims.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Pablo Tran whose telephone number is (703)308-7941. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Edward Urban, can be reached at (703)305-4385.
